RE: CALIFORNIA PUBLIC RECORDS ACT REQUEST: HOUSING FOR PEOPLE WITH DISABILITIES

Dear Sarika Ram:

The City of Los Angeles Department on Disability (DOC) received your California Public Records Act (CPRA) request dated August 9, 2018 requesting records from the DOD specifically:

1. All ADA Title II Grievance Forms submitted to the Department on Disability between January 1, 2018 and the date this request is processed including any of the following words/phrases:
 - -housing
 - -apartment
 - -apartments
 - -tenant
 - -landlord
2. Provide materials described in item one on a rolling basis, as they become available.

The DOD has found the attached records, submitted between January 1, 2018 and August 9, 2018. Unfortunately, the City does not respond to requests on a rolling basis.

Please be advised that the DOD can only respond to requests for documents in its possession. The DOD does not have jurisdiction over any housing matters, and the City itself does not own nor operates any housing.

Should you have any questions, you may contact Carey Stone of my staff by phone at (213) 202-2747 or by email at carey.stone@lacity.org

Sincerely,

A handwritten signature in blue ink, appearing to read "Geoffrey Straniere", with a large, stylized flourish extending to the right.
